

# DecEssential SERVICE PLAN

DecaDent provide service plans for the preventative maintenance of your dental equipment.

We will service your equipment using original manufacturers service kits and you can spread the cost over 12 months with our interest free payment plan.

For more details and a free consultation and assessment of your dental practice equipment call the DecaDent team on

 0117 961 4442

Or Whatsapp photos/videos for quick response

 DecaDent Ltd  decadentltd

## Keeping you compliant with CQC guidelines

Keeping your practice running is essential. If your equipment isn't working, neither are you, and that means lost revenue and unhappy patients.

Having your equipment serviced according to the manufacturers recommendations is not only good sense but also ensures you comply with the CQC guidelines.

### ANNUAL SERVICING OF:

- DENTAL CHAIRS
- SUCTION MOTORS
- COMPRESSORS
